## **Thank You to Pamela Kraft – Production Assistant**

On behalf of everyone involved in this production of Chitty Chitty Bang Bang, The Regals would like to thank Pamela for all her hard work and dedication to this project. As a life-member of the society Pamela has always given 100% to The Regals, and Chitty Chitty Bang Bang has been no different. Her support to Danielle, the cast and the committee has been invaluable. Although, I'm quite sure she doesn't want to see another chocolate drive for quite some time! Thank you Pamela.
